## EDUCATION

**RASBIHARI INTERNATIONAL SCHOOL**

SECONDARY SCHOOL CERTIFICATE

Percentage: 76%

2009 - 2019

Nashik, India

**AMRO JUNIOR COLLEGE OF ARTS, SCIENCE AND COMMERCE**

HIGHER SECONDARY CERTIFICATE

Percentage: 87.67%

2019 - 2021

Nashik, India

**SANDIP INSTITUTE OF TECHNOLOGY AND RESEARCH CENTRE**

BACHELORS COMPUTER ENGINEERING

CGPA: 7.1

2021 - 2025

Nashik, India

## EXPERIENCE

**YBI FOUNDATION | INTERNSHIP**

Remote | March 2023 – April 2023

- In this internship I learned about the concept of Data Science and Machine Learning.
- Learned some Machine Learning Algorithms like Linear Regression and Multiple Regression.
- Learned how to train ML models.

## SKILLS

**PROGRAMMING LANGUAGES**

**LIBRARIES/Frameworks**

**TOOLS / PLATFORMS**

C, C++, Python, JAVA, HTML, CSS

Pandas, NumPy, Scikit-Learn

VS code, Google Colab

## PROJECTS / OPEN-SOURCE

**PROJECT 1 | [LINK](#)**

HTML, CSS

It is a Front-End Based Log-in web page project which was developed using HTML and CSS.

**PROJECT 2 | [LINK](#)**

Python

In this project we made an ATM Machine Interface with the help of Python Programming language. To increase the beauty of our project, we used playsound module to add some audio in the project.

**PROJECT 3 | [LINK](#)**

Jupyter Notebook, Python, ML algorithm

It is a project of cloths review's prediction with Multi Nominal Navive Bayes. This was the project which was completed during my internship.

## CERTIFICATIONS

- Machine Learning Rock Star the End-to-End Practice Specialization - **COURSERA**
- Presentations: Speaking so that People Listen - **COURSERA**
